

Discharge Instructions

The instructions below are recommended for your safety and comfort following your surgery. Please also follow any additional instructions provided to you by your doctor.

Follow the instructions below that are checked:

- Home to rest, avoid strenuous activity
- Have a responsible person with you for 24 hours
- Resume your regular diet
- Do not consume alcoholic beverages for 24 hours
- Do not drive for 24 hours or if taking narcotics or sedating prescriptions
- Use eye drops as directed by your doctor
- Keep eye patch and/or shield in place as directed
- Resume all previous medications unless otherwise instructed
- Maintain positional requirement if instructed
- Other instructions:

If you have any questions call your doctor's office. If you have a medical emergency call 911 or go to the nearest emergency department.
