

Laser Surgery Discharge Instructions

The instructions below are recommended for your safety and comfort following your Laser Surgery. Please follow any additional instructions provided to you by your doctor.

Follow the instructions below that are checked:

- No restrictions in your usual activities
- Resume regular diet
- Use eye drops as directed by your doctor
- Keep eye patch and/or shield in place as directed
- You may see floaters in your field of vision for up to 1 week
- Call your doctor's office if you experience any of the following:
 - ❖ Severe redness to the eye
 - ❖ Flashing lights
 - ❖ Severe pain not relieved by over the counter pain medications
- Other instructions:

If you have any questions call your doctor's office. If you have a medical emergency call 911 or go to the nearest emergency department.
